**ALL PARENTS/CARERS**

Dear Parent/Carer

**Re: Operation Encompass**

The school has been given the opportunity to take part in a project that will run jointly between schools and West Midlands Police.

Operation Encompass is the process for reporting to schools any incidents of domestic violence, prior to the start of the next school day, when a child or young person has been exposed to, or been involved in, any domestic incident.

Operation Encompass will ensure that a member of school staff, known as a Key Adult, is trained to allow them to liaise with the Police. The School will use the information that has been shared, in confidence, to ensure that we make provision as necessary if a child or their family finds themselves involved in domestic abuse. School will receive this report daily if necessary.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Yours sincerely

**Mr B A Stitchman**
