

Careers Resources

Year 11 Students

College, Sixth Form and Apprenticeship Applications:

- ▶ You should have made at least one application to a college or Sixth Form for your post 16 choice.
- ▶ If you have not then please ensure you do this as soon as possible. All applications are still open online, if you need any help or support you can contact the colleges/sixth forms on their support email addresses on their websites.
- ▶ If you are looking for apprenticeships, please apply to a college as a back up so if for any reason you are unable to get a placement the college will start you on the course and help support you in obtaining a placement.

Careers Advice & Guidance

- ▶ Pete Small from YETI (Youth Education & Training Initiative) is happy to offer online guidance appointments. Students and parents can email him and he will book a time slot for the interview. Pete will send you an email with a link to join the meeting.
- ▶ He is also offering appointments via Facetime, Skype or Zoom, depending on what is required to help the student. Zoom allows Pete to record the screen and any text chat, which he will then send on a copy to the student and school.
- ▶ If you would prefer you can just email or phone with any queries.
- ▶ Email: Pete@theyetiltd.com Website: www.theyetiltd.com Mobile: 07949 345108

Website Links for Activities

- ▶ Information from **Success at School** - To ensure young people get access to the best advice we have made the electronic versions of all 18 of our Gatsby Subject Guides free for parents and students to access from home. <https://bit.ly/2U2yULP>
- ▶ We also have a mailing list for parents and carers. If you haven't already, now would be a good time to sign up for email updates. You can sign up via this link: <http://eepurl.com/daPZLT>
- ▶ 10 Apprenticeship Resources to explore from home:
https://amazingapprenticeships.com/learn-at-home/?utm_source=mailchimp&utm_medium=landing%20pg&utm_campaign=learn%20at%20home
- ▶ There are also many links on our school website for different activities and advice. Please follow the link below:
<http://www.dormston.dudley.sch.uk/317/careers-education-amp-guidance>

Website Link for Virtual Work Experience

- ▶ **Speakers for Schools** is committed to delivering a Virtual Work Experience (**VWEX**) programme, which will allow young people (aged 14-19) from across the UK to undertake structured, interactive work experience placements with prestigious employers remotely (at school or home).
- ▶ To sign up for this free programme please click on the link below or copy and paste it in to your search engine.
