

## Drama

### Topic list for Year 9 end of year exam

You will be taking part in a practical exam in the theatre. You will be given a stimulus (it could be a photograph, a poem, song lyrics, a newspaper report) and you will be put into groups to create a piece of drama based on this stimulus. Your final work may have elements of abstract and naturalistic influences. You will perform the piece at the end of the examination.

Mrs Ainge and Mr Plant will be in the theatre throughout the exam and will give you a practical exam mark only for your final performance (each candidate is marked individually)
