

GCSE Geography Revision topic Check list

All of the topics below will come up in your two papers. The first paper is physical Geography, therefore covering the first 4 topics. Your second paper is human and covers the remaining 4. Each paper is 1 hour 15 minutes. The red bullet points are case studies that could potentially come up in each exam. You should be aware and confident in your understanding of each. You must revise your fieldwork. Please remember the hypothesis of your trip.
