**ALL YEAR 7 PARENTS/CARERS**

13 February 2018

Dear Parent/Carer

**High Achievers Evening - Monday 5 March 2018**

As part of our ongoing and highly successful Year 7 Strategy we would like to invite you and your child to our High Achievers Evening on Monday 5 March 2018 at 6.30pm. The event will take place in the Mill Theatre where we will be talking about the importance of high aspirations and the impact of achievement at a high grade prediction.

Your child has been identified as a high achiever who is predicted to attain an A/A\* (Grade 7, 8 or 9) at GCSE level based on current attainment grades.

At Dormston School we want every child to achieve their full potential to allow them to thrive and give them the widest possible choices Post 16. We also believe that our students are much more able than they sometimes believe themselves! Our Year 7 Strategy has set our pupils aspirations soaring and our Oxford and Cambridge Aspiration Day set an exceptional standard that we would be proud to have our high achievers adhere to. This meeting will help you to understand more about how your child's target grades are decided and what this means for them.

We will also have visiting speakers including an ex-pupil who is now at King Edwards College. In addition to this English, Maths and Science KS3 Lead staff will advise you how to support your child to achieve these high grade GCSE passes.

**We would be grateful if you could indicate your intention to attend this meeting by completing the form below and returning it to Mrs Brayshaw by Wednesday 28 February 2018 at the latest.**

Yours sincerely

*Mrs L Brayshaw*

**Year 7 Co-ordinator**
