## NEW TEST CENTRES

Two new coronavirus test sites have opened in Dudley borough. One located in Lye and one in central Dudley.

The sites are open seven days a week from 8am to 8pm, appointments must be made in advance by calling **119** or visiting [www.nhs.uk/coronavirus](http://www.nhs.uk/coronavirus).

They offer free local testing, which is essential to the NHS Test and Trace service and our fight against coronavirus (COVID-19).

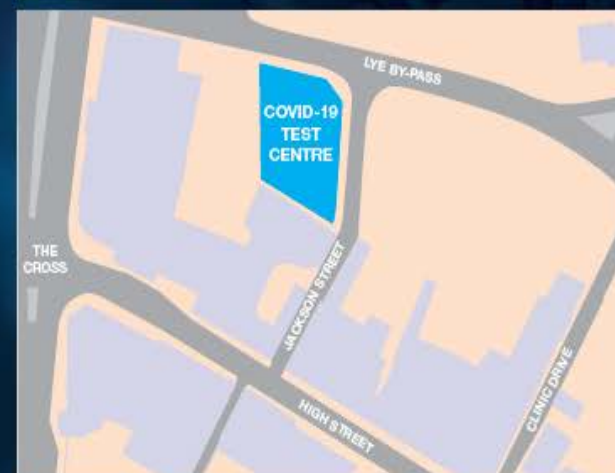

If you or any member of your household is displaying symptoms - a fever, or new continuous cough, or a change in or loss of taste and smell - stay at home and book a test for the symptomatic person.

You should travel to the test site either by driving yourself in your vehicle, on foot, or by motorbike/bicycle and **NOT** by public transport, or taxi. All people attending the test centres must wear a face covering with the exception of children aged three and under.
