### Message from Head Teacher

Our virtual Post 16 evening took place on Tuesday evening. We had a good response from Year 11 to the range of information and advice we placed online. We really hope it helps them secure college placements and apprenticeships when they leave us next year. It was great to see so many of our Year 10s in RE Revision on Wednesday evening. Just under 100 students attended, which really goes to show the determination and effort of students at Dormston School.

Thank you again for all your support. I realise that partial and full school closures can be inconvenient however the actions we have taken this half term have been to ensure the safety of our students and staff. We are all working together to ensure our community is safe and sound. Have a great half term.

Head Teacher

### Letters Sent Out Recently

**ALL letters are now emailed home, hard copies are ONLY provided for 'Reply Slip' Letters.** \*Selected student only letters are given out to your child by hand or are posted directly home. The criterion for 'selected student only' opportunities are based on various factors depending on the trip and its focus. Unfortunately, we are unable to allow every student the opportunity to be involved with every activity which we understand sometimes causes disappointment. If you require more details about the selection process for any opportunity please contact the event organiser.
