

Parental Communication & Engagement

Message from Head Teacher

Rehearsals for our school production 'High School Musical' are really gathering momentum and we are now seeing sections of the musical up and running on stage. Tickets will be available from Tuesday 22 January 2019 and we urge you to get yours quickly if last year's ticket sales are anything to go by.

This week Year 11 had a special assembly in which we paired up the males and females for a special progress competition. Mrs Bassan is convinced that the girls will win however, I think the boys are about to excel. One lucky pairing who make the most progress will win a very special prize.
