Message from Head Teacher

On Tuesday our Year 7s were given a glimpse on how life might be if they continue their learning journey to university. Oxford and Cambridge undergraduates joined us to explain to Year 7 some of the things they might experience if they go to university. This included what lectures might be like, the expectations, the possible jobs after university and how they might gain a place at university after their A-levels. When we asked Year 7 who would like to go to university nearly 80% of them raised their hand.

On Wednesday we were joined by students from Crestwood School, The Link Academy and Ellowes Hall for the Chef of the Year Competition. All the students were a credit to their schools and produced work to rival Jamie Oliver and Nigella Lawson. This year it was fantastic to see students from each school gaining recognition and prizes for their talent and hard work.

Don't forget next week we are closed on Friday 29 November 2019 for INSET.

*Selected student only letters are given out to your child by hand or are posted directly home. The criterion for 'selected student only' opportunities are based on various factors depending on the trip and its focus. Unfortunately, we are unable to allow every student the opportunity to be involved with every activity which we understand sometimes causes disappointment. If you require more details about the selection process for any opportunity please contact the event organiser.

Football Update

We just wanted to mention what a great job Sam Firmstone did as goalkeeper during the second half of Year 8's, away game against Pegasus School recently. The second half of the match was full of action and Sam kept a cool head, a clean sheet and performed brilliantly. Well done Sam!

Thank You & Well Done

Well done to the following student who has recently received a Head Teacher Commendation.
