Message from Head Teacher

Thursday saw a team of year 10 pupils taking part in the RE Debate organised by Dudley Authority. Our teams competed against Earls High School and Wordsley School and in both cases put forward some great arguments, winning both competitions. Well done to all our teams.

15 of our pupils from years 9, 10 & 11 were invited to Wolverhampton University to take part in the Aspire to HE programme. They spent a day in football coaching sessions and learnt a little about life at University.

Thursday evening was our year 11 parents evening and we saw a good turnout of parents. We are very pleased with results from our first set of mock examinations which bodes well for the future. They are a very capable group of students and I look forward to seeing their success in the final GCSE examinations. Thank you to parents for the ongoing support.

Letters Sent Out Recently

*Selected student only letters are given out to your child by hand or are posted directly home. The criterion for 'selected student only' opportunities are based on various factors depending on the trip and its focus. Unfortunately, we are unable to allow every student the opportunity to be involved with every activity which we understand sometimes causes disappointment. If you require more details about the selection process for any opportunity please contact the event organiser.
