To All Year 11 Parents

Dear Parents/Carers

Apprenticeship Advice Evening, 5 March 2019 @ 6.00pm

At key points during your child's time at school we offer impartial and unbiased careers advice, support and guidance. Year 11 students should have applied or be in the process of applying for their post 16 courses. One of the Post 16 routes available is an apprenticeship; apprenticeships are now available in many sectors of industry and vary in the level of qualification and how they are delivered.

On Tuesday 5 March 2019 starting at 6.00pm in the Theatre, we are holding an Apprenticeship Advice Evening for parents (and pupils) to give you all the facts, dispel any myths and answer any questions you have about apprenticeships and the application process. The evening will be supported by The Apprenticeship Works, Project Ask and Pete Small, Careers Advisor. If you are looking to take on your son/daughter as an apprentice or know any local business interested in taking on an apprentices this will be an ideal opportunity to find out how to go about this.

Please complete the reply slip below and return to pupil reception by Friday 15 February so that we can ensure that we have adequate resources for the evening.

If you have any questions relating to this event, please do not hesitate to contact me at school.

Yours sincerely
L Dawes
