February 2019

Dear Parent/Carer

Re: Manufacturing at Work - Black Country Museum - Friday 15 March 2019

Your child has been selected to take part in an exciting 'Manufacturing at Work Day' at the Black Country Living Museum, Dudley on Friday 15 March 2019.

The theme of the event is about famous inventors and their impact on the manufacturing industry. During the day there will be practical workshops and presentations. Students will also have a tour of Thomas Dudley Foundry to see casting been done on an industrial scale and a talk from the HR department about potential career paths.

Pupils should meet in the Atrium at 8.40am, where they will be registered. We aim to be back at school by 3.00pm. Pupils are allowed bring mobile phones for the sole purpose of contacting you on the return journey if we are running late. Pupils will need to wear full school uniform and they will also need to bring an outdoor coat. The school will provide a packed lunch if required but students are welcome to bring their own food and a drink if they prefer.

Places are very limited so please complete and return the reply slip to Pupil Reception below by Friday 15 February. If you do have any questions regarding this trip, please contact Mrs Dawes or Mrs Brayshaw.

Yours sincerely
