Parents/Carers of Year 10 GCSE Computing Groups

Dear Parent/Carer

Re: Coding and Building Robotics Workshop - Friday 15 February 2019

To support our GCSE Computing students we have arranged for PrepareRobo Ltd. to come in to school to deliver a robotics workshop. During a 2 hour session the students will learn how to build, code and test robots.

The sessions will take place on Friday 15 February 2019 for both GCSE option groups in the PLC.

- 10E (Mr Parr) from 8.45am - 10.45am;
- 10F (Mr Clements) from 11.00am to - 1.00pm.

There is no cost for this workshop and students will not need any specialist equipment. Please do not hesitate to contact me if you require any further information relating to this workshop.

Yours sincerely

T. Parr

Mr T. Parr
