**DEAR YEAR 10 STUDENTS**

On Thursday 20<sup>th</sup> August your GCSE RS results will have been posted out to you. These grades are the Centre Assessment Grades taking into account any adjustments made by OFQUAL's standardisation algorithm.

Although many of you will hopefully be happy with the grade you have been awarded, please be aware that should this not be the case there is the option of sitting the exam in November. If this is something you are interested in please discuss this with your Religious Studies teacher or Mrs Siviter-Coupland on your return in September.

Yours sincerely

*I Bassan*
