Year 10 Parents/Carers

Dear Parent/Carer

Re: Pupil Mentoring

As part of my ongoing support for Year 10 pupils your child has been identified as someone who might benefit from additional support in order to fully prepare them for their GCSE studies. As such they will be involved in a programme of targeted mentoring meetings with me in order to help raise achievement or aspirations.

Your child will be invited to an initial meeting during their regular tutor time to go through the mentoring programme, identify areas or subjects which need particular attention or support.

If you have any questions or queries regarding this mentoring then please do not hesitate to get in touch.

Many thanks.

Yours sincerely

D. Fox
