July 2020

### **ALL YEAR 10 PARENTS & STUDENTS**

Dear Year 10 Parents & Students

I hope this letter finds you and your families well.

It is great to see how many of you have fully engaged in the online and live teaching we have provided since lockdown. In preparation for Year 11 many departments have sent out some excellent resources and activities that will help you to consolidate your learning but it is also really important that you all have a good rest so that you are ready for the challenges and rewards of Year 11.

#### **EXAM RESULTS**

As I am sure you are aware **Thursday 20<sup>th</sup> August 2020** is your Religious Studies exam results day. On this day your results will be posted out to you. We have made this decision because like many schools around the country we have decided that this is the safest and most timely way to get your results out to you. If you have changed address since March please ensure that this information is passed to Mrs Dawes ([ldawes@dormston.dudley.sch.uk](mailto:ldawes@dormston.dudley.sch.uk)).

#### **GCSE EXAMS 2021**

Please be aware that we are still awaiting government guidance on summer examination dates. There is a strong likelihood that these will continue up until mid-July, therefore it is imperative that you do not book any holidays or make arrangements for any activities until the GCSE examination dates have been confirmed.

#### **POST 16 PREPARATIONS**

Thank you for all those students who attended the online CV writing session. If you were unable to do this a link to the lesson has been sent to you via email. Please ensure you work on this over the summer and pass your completed CV to your Form Tutor for checking in September. Mrs Dawes has emailed you a link to some additional 'virtual' work experience you can undertake over the summer to help enrich your CV and I would strongly recommend you all take up this valuable opportunity.

In the meantime stay safe and keep well.

Yours sincerely

**Mrs I Bassan**  
**Assistant Head Teacher**
