October 2020

ALL YEAR 11 PARENTS/CARERS

Dear Parent/Carer

I would like to take this opportunity to thank you for your support in what has been a most unusual term. Although it has been a change, the vast majority of students have been very compliant with 'the new normal' and have come to school prepared with face masks and a very positive attitude. This has extended to after school revision sessions where attendance has been high. Please see a copy of the revision timetable below.

	WEEK 1	WEEK 2
MONDAY	OPTION A	CATCH UP – depts. To arrange
TUESDAY	OPTION B	OPTION C
WEDNESDAY	MATHS	ENGLISH
THURSDAY	SCIENCE	OPTION D
FRIDAY	CATCH UP – depts. To arrange	CATCH UP – depts. To arrange

Food Technology	Food Technology	Drama	Dance
French	German	Geography	Food Technology
German	Geography	History	German
Geography	Graphics	RM	Geography
History	History	Textiles	Graphics
RM	PE	Art Photography	PE
Music			History
PE			RM

Some subjects identify students by names and we would expect all of these students to attend. At other times the sessions are open to the whole class. This information is shared with students by their class teacher and their form tutor. If students do not attend, parents will receive a message via groupcall or email. If you have any queries please contact the school, alternatively you can email the teacher directly.

Year 11 Data - 4 November 2020

On this date you will be able to access your child's most recent data by logging into Go4Schools. Here you will see your child's current grade, predicted grade and effort grade for each of the subjects they are studying. This is based on the work they have completed over lockdown and during the first half of the autumn term.

Parents' Consultation Evening - 19 November 2020

This will be held as video links and will be bookable online. More information on how to access this and book your appointments will follow shortly.

Year 11 Mock Examinations - 7 December 2020

This year your child's mock examinations are more important than ever because, should it be necessary, they will be used to formulate your child's centre assessed grades. Therefore it is imperative that pupils take the time to prepare for them properly. **Please see the mock timetable attached.**

Now that October half term is upon us, it is vital that students have a chance to have a good rest. I am confident that our current Year 11 will continue to put their best foot forward in these testing times and many will also see this half term as an opportunity to begin to prepare for their mock examinations. As always, should you have any queries, please do not hesitate to contact me at ibassan@dormston.dudley.sch.uk.

Yours sincerely

I Bassan

Mrs I Bassan
Assistant Headteacher
